A PERFECT PROPOSAL THAT COMBINES A MODERN PERFECTION WITH TRADITION AND LEGEND

Madrid, November 2014: The autumn magic and the dream world inspired the new collection of Miticca by Isabella Gobarodi. Sophistication and elegance come together to create unique pieces that radiate true beauty. A very feminine and colorful to dress a woman with style proposal.

The silhouettes of the collection provide much prominence at the waist with original cuts and suggestive necklines, ideal and very flattering to wear at all times. A firm commitment to special designs, decorated with unique details that bring a magical touch.

Sheer fabrics and full of movement as crepe, georgette, chiffon, satin and lace delicately combined with more armed materials. Velvet, sequins, mikado, shantung, silk, muslin satins, give life to a delightful collection that manages the woman who wears garments Miticca by Isabella Gobarodi is perfect. The designer has created an exquisite and elegant collection, thanks to the simplicity of the forms and the richness of the fabrics, always caring finishes.

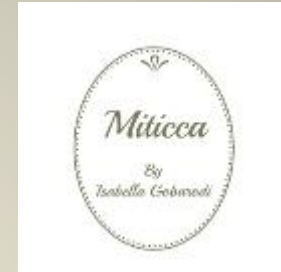

The star colors involving the collection are varied: warm colors like nude, orange or pastel tones, producing a lively and striking effect, contrast with cooler shades like blue-green, violet or cherry, creating a cool and relaxing air. Red, gold, copper and silver, also characterize the collection, giving vividness and brightness to the garments.

- By Isabella Gobarodi Miticca emphasizes the attention to detail in the form of applets. The essence is also marked in the embroidery gem or stone carvings. Accessories are also unique signature pieces: from belts trimmings and unique headgear, until original layers, complete the perfect look for every woman.
